

Didcot Baptist Church Mission Teams

Church Mission Teams 2007

I would like to be part of Didcot Baptist Church Mission Team Programme in 2007 by:

I am prayerfully considering being part of one of the teams Please tick

India		
Romania		
El Salvador	Health Project Team	
	Children's Club Team	
	Building Team	

I would like to commit myself to pray for and support one of the teams

India	
Romania	
El Salvador	

I would like to resource someone else to be part of a team (this will probably be used to help finance a student or non waged individual). The cost of participation in each of the three teams is different so any amount would help. We are particularly looking to support any students or the unwaged who are wanting to join a team.
